

Dear D'Arcy:

Many thanks for your letter of June 29 commenting upon the New York Times' summary of the Hoover Commission report.

I appreciate your interest and the recommendation contained in your letter. However I think that any final action will have to await the outcome of the very careful study and consideration we are now giving to the recommendations contained in the Hoover report. Your suggestion will certainly be borne in mind in connection with the overall study we are giving this subject.

Faithfully
